

The Treatment Loft Welcomes Dr David Evennett

We are proud to announce that Dr David Evennett, a **vastly experienced** aesthetic and cosmetic Dental Surgeon, now has a regular clinic at The Treatment Loft at Darts Farm.

It would be lovely to ‘Turn Back the Years’ and this is now possible using the latest non-surgical facial aesthetic techniques; to look at oneself in the mirror and see the image of a more youthful and confident person. He has the expertise, using the latest techniques, to reduce the wrinkles and creases and create for you a new look.

Dr David has the experience and knowledge to smooth away your wrinkles using Botulinum Toxin (Azzalure®) and plump out those annoying creases using Hyaluronic Acid dermal filler (Restylane®).

He can also offer teeth whitening, treatment of tension headaches and treatment for excessive underarm sweating.

To make an initial free of charge consultation with Dr David please telephone The Treatment Loft on 01392 878295.
